

Effective immediately, the rules for issuing burning permits will be restricted. As we enter the warmer months and the dry season, the conditions change abruptly from day to day. Please keep this in mind when issuing permits. The rules are as follows:

- **Permits will not be issued without knowing the class day and or weather forecast.**
- **Permits will only be issued anytime on class 1 or 2 days (unlimited)**
- **Permits will not be issued on a class 3 day or higher.**
- **Permits will only be issued for one day at a time.**
- **Permits can be issued for “CAMPFIRES” if the fire is within a confined perimeter.**
- **Permits for seasonal camp fires will only be issued by Town Warden.**

Permits will be issued on Saturday and Sunday from 9am to 12am only (if volunteers are available). Permits may be available at all other times online at www.maineburnpermits.com .

Waterboro Fire Department shall reserve the right to cancel any permit due to changing weather conditions. We also may inspect any permit that we are asked to issue. If in doubt of the conditions or the permit holder, we may refuse to issue the permit.
